Park Projects Update

The Parks Department has these great projects currently underway:

- **Urban Fishery** – located at 935 West 9502 South, this 3-acre fishpond that will be stocked with large mouth bass, bluegill, sunfish, and trout. Other amenities will include a pavilion, restrooms and a playground. Construction will begin in the fall of 2007.
- **Quarry Bend Park** – located at 9020 South, Quarry Bend Park will include two lighted softball fields, a pavilion and a playground. The park is currently under construction and will be complete in spring of 2008.
- **Granite Trailhead** – located at 3470 East Little Cottonwood Road, this trailhead includes a parking lot and restrooms to accommodate hikers for the Bell Canyon reservoir.
